Important Notice to Animal Owners Involved in the Show

The Irish Shows Association would advise all animal owners who have their animals insured to have the insurance cover extended to cover them while showing animals at shows. We understand that it costs very little, or nothing at all, to depending on who you have your insurance cover with.

If you are one of the few people who does not have cover, we would advise that you think about putting it in place for this purpose. It may well be worthwhile.

The reason for us giving you this advice is to protect yourself in the event of your animal lashing out and injuring someone or damaging someone's property. If that were to happen, and it is established that your animal was out of your control, you may be held fully or partly responsible for any injury or damage caused and may end up paying all or part of any settlement reached.

**Class 26 Horse Sport Ireland And Dunmanway Agricultural Society Ltd. Present
The All Ireland Young Handler Championship Series - Regional Qualifier
€1,400 Prize Fund**

HSI has announced that Young Handler Championship will be run in 2019. The aim of this Championship is to assist in the development of the skills of young handlers to prepare and present horses for show and sale.

The Economic Contribution of the Sport Horse Industry to the Irish Economy 2017 highlighted that since 2012 the involvement of young breeders (≤ 30 yrs) in the sport horse industry has declined from 8.1% to 3.7% in 2016. In 2016 just 0.19% of breeders were less than 20 years of age. The Championship is aimed at encouraging more young breeders/producers to become involved in the industry. It will also provide a unique opportunity for young handlers that are new to the industry to become involved in breeding initiatives and to gain contact and information/education and encourage long term involvement in the breeding industry.

Competition Format

The Championship will run over five qualifiers within the five IHB regions and will take place during July and August to allow for maximum participation. The top three young handlers from each qualifier will be eligible to compete in the final, which will take place at the National Ploughing Championships (17th – 19th September).

Young Handlers may enter one of two age categories:

CLASS 26(A) Junior: 14 – 18 years
CLASS 26(B) Senior: 19 – 25 years

Each young handler will be required to do the following:

- Find a suitable horse or pony to compete. The young handler is not required to have bred or to own the animal. All animals must be registered in a WBFSh or DAFM Approved Studbook.
- Turn out the horse/pony for competition.
- Understand and discuss a horse's pedigree and performance history, one horse will be selected by Horse Sport Ireland and given to the applicant by the show once they've completed the application for the class.

IMPORTANT NOTICE

Note for Information regarding Movement of Bovine to Shows

The Department of Agriculture implemented a number of changes on 4th February 2019 which changed the procedures and criteria applicable when applying for a Certificate of Compliance for the movement of cattle. These also impact on the certificate which is required when moving bovine to a Show.

The following sets out the criteria applicable:

- The movement of cattle to and from an Agriculture Show within the State must be recorded on the Animal Identification and Movement System (AIM).
- In line with these changes a specific certificate of Compliance for the "Movement of Bovine from a Single Holding to a Show" must now be requested prior to the movement of animals concerned.
- These certificates can be created by (i) applying online using their agfood account or (ii) where the keeper is not on line the certificate can be generated by the local Regional Veterinary Office following receipt of a NBAS31K with issue of the certificate being subject to normal criteria applicable. This form will be available on the Departments Website and will also be included with the Show Circular when issued.
- When applying for this certificate the destination herd / or Show number is not required. The certificate generated will include an "S" symbol.
- The Certificate of Compliance for a Show will continue to be valid for a period of up to 30 days. As is currently the case these can be used for the movement of animals to a number of shows during the validity period of the certificate.
- Please also note—Calves which are less than 10 days cannot be moved to a Show.

As is currently the case the Movement Notification Section of the Certificate should be Completed by the Keeper and the Show Secretary who must clearly indicate the Show Number. The Show movement should be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary. If the animals move to a herd other than the source herd, the new destination herd must complete and sign the certificate also.

Completed forms should be sent by the Show Secretary to the local RVO within 7 days of the Show.
