## Animal Identification and Movement (AIM) Notification

1. The movement of cattle to and from an Agricultural Show/Fair within the State must be recorded on the AIM System.
2. With effect from 4 February 2019 there is a specific Certificates of Compliance for the "Movement of Bovine from a Single Holding to a Show", form NBAS 31K refers.
3. The herd keeper must obtain the Certificate of Compliance prior to the movement of animals. The certificate can be created by (i) applying on-line using their agfood account or (ii) where the keeper is not on-line the certificate can be generated by the local Regional Veterinary Office (RVO) following receipt of a completed form NBAS 31 K.
4. The creation of a certificate is subject to normal movement criteria such as clear TB test etc.
5. A copy of form NBAS 31K is included at Appendix 2 and will also be available on [www.gov.ie](http://www.gov.ie).
6. When applying for this certificate, the Show/Fair number is not required. The certificate generated will include an "S" symbol.
7. The Certificate of Compliance for a show will continue to be valid for a period of up to 30 days. As is currently the case, these can be used for the movement of animal/s to several shows during the validity period of the certificate. Requests to the RVO should be provided with sufficient time to allow for the certificate to be generated and issued especially where one cert expires, and another is required immediately. Keepers who are likely to attend at consecutive shows are strongly advised to apply using herd keepers' on-line facility. The ability to create and print a certificate immediately (subject to the bovine meeting the relevant criteria) will remove issues which can arise where a certificate is already in place and a further certificate is required.
8. Calves which are less than 10 days old cannot be moved to a Show.
9. The Movement Notification Section of the Certificate should be completed and signed by the keeper. The form should also be signed and stamped by the Show Secretary who must clearly indicate the Show Number. The Show movement must be recorded on the passport. Ultimate responsibility for fulfilling these requirements lies with the Show Secretary.
10. If the animal/s move from the show to a herd other than the source herd, the new destination herd must also sign the certificate.
11. Completed forms must be sent by the Show Secretary to the local RVO within seven days of the Show. Failure to have movements recorded within the required time scale may have implications for the herd keeper/s involved.

# SHEEP

---

**NOTE: COMPLETED DISPATCH DOCUMENTS MUST BE PRODUCED BEFORE YOU WILL BE ALLOWED TO COMPETE.**

## **SPECIFIC REQUIREMENTS - SHEEP**

### **Identification**

All sheep must be identified individually with appropriate ear tags issued in accordance with the requirements of the National Sheep Identification System (NSIS).

### **Movement Documentation**

All consignments of sheep being moved must be accompanied by a completed dispatch document. Individual details of each sheep in the consignment must be recorded on the document. Sheep from non-restricted flocks only can be moved to shows. In the case of flocks restricted following diagnosis of scrapie, sheep possessing the ARR/ARR genotype only may be exhibited. The movement of these ARR/ARR genotype sheep must be accompanied by the relevant movement permit (SCR/10), which can be obtained from the Regional Veterinary Office responsible for the county in which the flock is located.

### **AIM Notification**

The movement of sheep to and from an Agricultural Show within the State must be recorded on AIM. This is done using a copy of the owner's sheep dispatch document as follows:

1. The owner/keeper presents the signed and completed dispatch document to the show secretary who checks it to ensure that it is completed in full.
2. The show secretary fills in the MART section of the dispatch document with (i) the show number, (ii) the date of the move back to the source holding (iii) stamps it with the show stamp and (iv) signs the dispatch document.
3. The show secretary then forwards the completed pink section of the dispatch document to the local RVO within 7 days of the show movement.
4. The show secretary keeps the white copy for their records.
5. The source/destination keeper keeps the bottom yellow copy to enter it into their flock register.

Ultimate responsibility for fulfilling this requirement lies with the Show Secretary.

### **Flock Register**

All movements of sheep to and from shows must be recorded in the keeper's flock register.
